

How can you find us

Route to Urban.nl, The International Institute for the Urban Environment

Visitors address: Oude Delft 73, 2611 BC Delft

Urban.nl is located in a listed monument “De Witte Roos”. The office is easy to reach.

Public transport The listed monument is situated at the most important canal in the historic centre of Delft and at walking distance from the central station. At the station there are bus stops for local and regional transport and also tramlines 1 and 19 stop at the central station every ten minutes. The easiest way to reach our office from the station is by foot. Leaving the station building at the front side you cross the square in the direction of the traffic lights. There you cross the street (Westvest). You enter the narrow alley called Barbarasteeg. At the first opportunity turn left, you are now on Oude Delft. Urban.nl is situated at number 73.

Bicycle Bicycles can be parked in front of the building.

Car You can park your car in the vicinity of the building. There are three parkings at walking distance (Phoenix parking, Zuidpoort and Gasthuisplaats) There are also parking places in the to central station area.
